- Latex and Silicone Free

## Specification

Code:	RD3001990	Sizes	S to XXL
Thickness:	2.8 mil	Box Size:	100 gloves
Length:	240 mm	Carton Size:	1000 gloves
Category:	CAT III - Type B	EN374-1:	KPT

## Suggested Applications

- Agriculture
- Construction
- Veterinary
- Insulation
- Engineering
- Assembly
- Automotive
- Plumbing
- Janitorial

## Certification and Marking

EN 374-1:2016 EN 374-5:2016

## Limitations of Use

<b>Maintenance</b>	Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.
<b>Storage</b>	Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.
<b>Disposal</b>	Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.
<b>Cleaning</b>	Do not wash. The performance of the product after laundering is unknown. Beat or brush out after each use, depending on level of dirt.
<b>Durability</b>	The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.
<b>Note</b>	Due to the nature of this product the user is advised to carry out their own risk assessment before use, depending on application.
