

V335

Green Double Dipped 14" Gauntlet

Product Datasheet

OUR REF: V335

PRODUCT DESCRIPTION

Premium double dipped PVC gauntlet with excellent resistance to a wide range of chemicals and solvents. Granular finish on the hand area improves grip, especially in oily conditions. The increased thickness provides additional wear and abrasion resistance. Tested to EN1149-5 for electrostatic dissipative clothing in hazardous environments. Jersey fleece lining is soft, comfortable, warm and, with the Sanitized® hygiene function, enhances freshness, hygiene and odour repellence. Fully REACH compliant and Phthalate free formulation.

TYPICAL APPLICATIONS:

Oil and Petroleum industry, off-shore and marine, Janitorial.

NOTE: Not recommended for use with concentrated corrosive liquids.

AVAILABLE SIZES: 9.5 (Large)

LENGTH: 35cm (14")

PACKAGING: Per Pack: 12 pairs

Per Box: 72 pairs

Technical Details

Care should be taken when removing gloves to avoid any contaminant contacting bare skin.

Results at performance level 3 and inspection level G1 are classified as Acceptance Quality Level (AQL) = 0.65

EN1149-5 meets requirements for dissipative protective clothing with a charge decay, half decay time, **t50 < 4s**

EC type examination carried out by: SGS United Kingdom Limited, Unit 202B Worle Parkway, Weston-super-Mare, BS22 6WA, United Kingdom. (NOTIFIED BODY 0120)

► **The Sanitized® hygiene function** brings increased freshness, comfort and protection.

- **Sanitized®:** These gloves incorporate a Biocidal product. The Biocidal treatment protects against a broad spectrum of Bacteria and Fungi. The active Biocidal substance - Zinc Pyrithione - promotes freshness and inhibits odours.
- **Storage:** Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight.
- **Maintenance:** Both new and old gloves should be thoroughly inspected before use to ensure no damage is present. Gloves should not be left in a contaminated condition if reuse is intended - if contaminated, gloves should be cleaned as far as possible
