

Gripflex Lite Handling Glove

OGL-2536

Description

13-gauge machine knitted seamless construction nylon liner with a premium black crinkle latex coating gives excellent grip and durability. This glove is very lightweight, soft and extremely comfortable for the wearer. Suitable for an extensive variety of applications. Red colour coded liner allows for quick recognition of the cut protection level. Close fitting and elasticated knitted wrist provide a secure fit and keeps hands free from dust and debris.
