

Bulldog (BULSNOW8)

Aluminium Handle Snow Shovel

The Bulldog Snow Shovel is the perfect tool for scooping up snow in winter and leaves in autumn. It has a strong plastic D handle and a lightweight aluminium shaft with soft grip to ensure comfort even in cold weather. The wide tough plastic moulded blade features a metal edge for breaking and scraping ice.

Specifications

- Length (Handle to Blade Tip) 135cm
- Blade Size 31.5 x 45.5cm
